Mission Statement and General Objectives of the school

Our mission statement is “We love, we learn, we pray, we play.”

The General Objectives of the school are:

The Catholic Faith is central to our lives and influences the way that we see things. We believe that the life of Christ is really important and that each person is made in the image of God and that we form part of a parish community called the Church. We pray every day. We learn about the Bible, Mass and the Sacraments and the teachings of the Church. We introduce pupils to the Christian values that we hope will inform the way they will live as children, adolescents and mature adults.

From the outset, the experience of the pupil in the Catholic school is characterised by respect for both faith and reason. So, we teach children all aspects of the curriculum – languages, maths, sport, music, science and art. This is all part of what we do at school. In all of this we want to cherish each person as Christ would do, and we seek to support parents in their task of nurturing their children toward fulfilment in life and of preparing them to take their place in the world according to the gifts they have been given.

Our school is inclusive and welcomes children of all faiths and none. Respect for all people is an important part of life in the school.
