### **Application Procedure**

The Board of Management communicates generally to the school community through appropriate channels e.g. Parish Announcement, Letter to existing parents, Posters, Advertisement in Finn Valley Voice and Twin Town Notes submission in the Donegal Democrat, outlining the application for enrolment procedures. The Board reserves the right to amend these channels when it is appropriate.

Parents are asked to call to the school, telephone or email the school for an enrolment application form. This process normally opens on the first Monday in February and closes on the third Monday in February. **Therefore in the year 2023-2024 the enrolment period will be from 07-02-2023 to 27/02/2023. All applications are acknowledged once received. Again this can be reviewed by the Board, if necessary.**

### **General Points**

- A. P.P.S. numbers will be requested at the time of the application as per Department of Education requirements;
- B. The Board requires as a condition of registering the child, that his/her parents confirm in writing that the Code of Behaviour so provided is acceptable to them and that they shall make reasonable efforts to ensure compliance with the Code by the child;
- C. Admission of Junior Infants normally takes place on the first day of the academic year. Any child who has not reached his/her fourth birthday cannot be enrolled at any time. Junior infants may only be admitted on the first day of the academic year. However if a family moved into the parish during the year, they may apply for a Junior Infant place for their child/children;
- D. The Board of Management will clearly state the closing date of applications and will make a decision within 21 days of this closing date for all applications received. Decisions will be given in writing and by post within 21 days of receiving a complete application.
- E. Where a school reasonably requires further information, the application will not be treated as complete until such time as all requested information is received;
- F. Junior Infants must have reached their fourth birthday by the first day of the academic year.(i.e. the child must be 4 years old in order to start school). The Board would advise parents to be mindful of their child's readiness for school when applying for a place. The Department of Education and Skills state that a child should be allowed to repeat a year only in "exceptional circumstances". The Board also reserves the right to amend this policy should it be deemed by the Board to be necessary. In cases of the Board receiving applications for enrolment in other streams, the Board will give a decision in writing to the applicant's Parent/guardian within 21 days of the application being made;

- G. As a general principle and in so far as practicable having regard to the school's enrolment policy, children will be enrolled on application provided that there is space available; and
- H. The Board will have regard for relevant Department of Education and Skills guidelines in relation to class size, staffing provisions and /or any other relevant requirements concerning accommodation, including physical space and the health and welfare of children.

### **Enrolment Criteria**

In the event that applications for enrolment exceed/ is expected to exceed the number of places available, (as deemed by the Board) then the following priority order will apply:

- Sisters and /or brothers of pupils currently in the school
- Children living in the local area
- Children of current staff including ancillary staff

In the event that there are more applicants within any category than there are available places, priority will be given to children within the particular category in order of age, starting with the oldest. It is not intended that the criteria used would discriminate against any individual applicant or group of applicants.

### **Enrolment Of Children With Special Needs**

Parents/guardians of a child with Special Needs should provide all relevant information and reports as requested by the school on the Enrolment Application Form. (See Appendix A). This is to ensure that the school can make a timely application for any additional supports the child is entitled to.

### **Right of Appeal**

Section 29 of the Education Act 1998 provides for a right of appeal against a decision to refuse enrolment. If the Board refuses an enrolment, it will inform the parent/guardian by letter, within 21 days of the closing date for applications. They will be informed in this letter of their right to appeal this decision. The Principal will sign this letter. The Principal will be responsible for preparing a response to the Appeals Committee if or when an appeal is initiated.

### **Pupil Transfer**

Pupils may transfer to the school at any time subject to the school's enrolment policy and available space. A family who has moved into the area with children who wish to

attend the school must contact the school principal. The enrolment of new pupils must be approved by the board of management.

When a pupil is transferring from another school, Glencovitt N.S. will contact that school and request information on the attendance and educational progress of that child.

### **Code Of Behaviour & Special Needs Policy**

Tusla Guidelines are followed with regards to the suspension and expulsion of students. The school will endeavour to ensure all pupils continue their education with us as far as is practicable.

### **Review**

The policy will be reviewed by the Board in March 2020. Did not happen due to Covid. It was reviewed in July 2022 and re-ratified by the board on 6<sup>th</sup> October 2022.

### **Approval Of The Patron**

The Board of Management wishes to ensure that the principles of equality and the right of parental choice are respected and that directions may be made by the Minister of Education from time to time. These directions will be implemented having regard to the characteristic spirit of the school and the constitutional rights of all persons concerned.

### **Ratification**

### **Refusal To Enrol On The Grounds Of “Exceptional Circumstances”**

The Board of Management will only refuse to enrol in compliance with its agreed policy. The Board reserves, in its enrolment policy the right to refuse enrolment in exceptional circumstances e.g.

- a) In the opinion of the Board, the pupil poses an unacceptable risk to other pupils, school staff and /or school property.

***This clause would only be relied on in rare and exceptional circumstances.***
